America's Mightiest Fleet to Mobilize Off Pacific Coast

Transfer of All Oil-Burners to Western Ocean to Create an Unprecedented Tonnage Total and Guns

From The Tribune's Washington Bureau WASHINGTON, July 4 .- The most powerful fleet in the history of the American Navy soon will be concentrated in Pacific waters, in accordance with the orders recently issued by Secretary of the Navy Denby, by which all the oil burners of the United States naval establishment will be added to the command of Admiral E. W. Eberle, the new commander in chief of the armada on the west coast, who will raise his flag on the battleship New Mexico to-

The new Pacific fleet will be superfor in size of ships and in size and
number of main battery guns. As all
the most modern capital ships are oil
burners, the Pacific will far excel the
Atlantic fleet. For the present the
new west coast armada will be a fourteen-inch gun organization, but with
